

Area where the mount must be installed, passenger side.

Loosen and remove one of the screws as shown in the figure above.

Position the mount and tighten the screw firmly so it does not come loose or damage the vehicle due to truck vibration.

Your STEELBRAS mount is now ready to receive the CB Mobile Antenna 1/4 Wave.

Av. Cidade Fukuyama, 725 - CEP 19064-210 - Pres. Prudente - SP
